Hyderabad – 500 050.

Sub: Approval of Laboratory for determination of Respirable Dust Content and Quartz.

Dear Sir,

Please refer to your letter No.ST/EHS/DGMS/07 dated 24th January 2007 on the above subject.

I, by virtue of the powers conferred on me under Regulation 123(3)(e) of the Coal Mines Regulations, 1957 hereby approve Startech laboratory owned by M/s Startech Labs Pvt. Ltd. located at 2nd Floor, SMR Chambers, H.No:1-58/7, Opp: St. Ann's Jr. College, Madinaguda, Seri Lingampally, Hyderabad – 500 050 for determination of quartz content in the respirable dust subject to the following conditions:-

- (1) Proper record of the quartz content in the respirable dust sample received, place, location and time of the sampling, type of instrument used for dust sampling etc. shall be maintained in a bound paged book and signed by the competent persons.
- (2) The detail of the calibration done of the instruments used for determination of quartz content shall be submitted with each report.
- (3) A quarterly statement of the sample received & analyzed shall be submitted to this Directorate for record.
- (4) Any changes made in the instrument for determination of quartz content shall be informed to this Directorate.
- (5) If at any time any of the conditions subject to which this approval has been granted is violated or not complied with this approval shall be deemed to have been revoked with immediate effect.
- (6) This approval is being granted without prejudice to any other provisions of any statute, which may be or may become applicable at any time.
